3. Public Comment

Because the Partnership school is composed of 4 different public entities, our board meetings follow protocols that are mandated for public bodies. At each regular and special open meeting, members of the public may comment to the Governing Board, subject to reasonable constraints.

The public comments are limited to the appropriate part of the meeting as indicated on the agenda and are limited to 3 minutes per person and that no discussion of personnel matters or student discipline are permitted. People wishing to address the Board must identify themselves as we are required to keep detailed minutes of our meetings. When you address the Board, we will not enter into dialog, but this does not mean that we do not take your issues seriously. This is your opportunity to provide feedback to us. If you would like to further communicate with administration or the board about your topic, please let us know. If you wish to make a public comment to the Board you must send an email to the John C. Dunham STEM Partnership School at stem@aurora.edu. In your email you must include your name, your phone number, and your email address.
