

Dear Parent and/or Guardian,

Please use the guidance document below to help your child complete their work in literacy, writing and mathematics each day. It is okay for your child to work at their own pace. Also, have your child read independently for 15 minutes. Thank you!

**For Students with IEPs:** Parents please have your child complete 1 reading/English worksheet per day, 1 math worksheet per day and 1 daily living activity per day. Please allow your child to complete each of the 3 different learning activities as independently as possible and allow support when necessary. Thank you for your help and support during your child’s learning. **We miss your child and we hope to see you all soon!**

**Guidance Document, Kindergarten and 1<sup>st</sup> Grade - April 2020**

<b>Week 1 4/6 – 4/10</b>	<b>Day 1</b>	<b>Day 2</b>	<b>Day 3</b>	<b>Day 4</b>	<b>Day 5</b>
<b>Literacy</b>	<b>Read : Animal Homes</b> Pgs. 2-8  <b>Student Activity</b> Use the high frequency and concept words at the beginning of the book to write 2 sentences.	<b>Read : Animal Homes</b> Pgs. 2-8  <b>Student Activity</b> Use the high frequency and concept words at the beginning of the book to write 2 sentences.	<b>Read : Animal Homes</b> Pgs. 2-8  <b>Student Activity</b> Page 30	<b>Read : In the Dry Desert</b> Pgs. 3-8  <b>Student Activity</b> Use the high frequency and concept words at the beginning of the book to write 4 sentences.	<b>Read : In the Dry Desert</b> Pgs. 3-8  <b>Student Activity</b> Try to answer questions 1- 3 Page 9
