

# Do You Need Child Care?

## The **YWCA** Can Help!

**Are you looking for someone to care for your child(ren) while you work or go to school?**

**Do you need a preschool program where your child can grow and learn?**

**Would you like your child to develop new friendships and practice social interaction?**

**Let us help you with your search for quality care.**

**Our parent educator is looking forwarded to speaking with you. We will find child care providers specific to your child care needs and provide you with consumer education to best find quality and affordable child care!**
