The Parents' Guide to Google Classroom
What is Google Classroom?

Think of Google Classroom (GC) as your child’s digital link to learning.

Teachers use GC to share assignments, homework, newsletters, and much more with students AND parents!
Getting Started

1. Click on the Google Chrome browser icon.
Getting Started

2. Type **www.google.com** into your web address bar.
Click on the icon of the person. It will show that you are not signed in. You will then click the “Add” button at the bottom of the box.
Enter your D131 username into the “Add person” box. Select your favorite icon, and then click “Add.”

The D131 username for your child is their student ID number@d131.org
(Example: 123456@d131.org)
After you press “Add,” you will then follow steps for setting up your browser.

You will need to click Next a few times to get to the next log-in and password.
Enter your D131 username name and press next.
The D131 username for your child is their student ID number@d131.org (Example: 123456@d131.org)
Getting Started

You will be prompted to enter your D131 username and password. The D131 password is the first initial of your child’s first name, the first initial of your child’s last name (CAPITALIZED), and then their birthday as six digits, MMDDYY

Example:
If my name is John Doe, and I was born August 26, 2011, my password would be JD082611
