EXTENDED CARE PROGRAM

FALL SESSION – AUG. 24 - NOV. 3

We're excited for the opportunity to provide extended care to our EASD131 families during the fall. We are currently finalizing plans that will accommodate for the remote fall 2020 elementary school (K-5) schedule. Once further details are finalized, they will be available at wherfunbegins.org (activity code 799999).

ECARE INFORMATION

eCARE is a Fox Valley Park District-run program, housed in Fox Valley Park District facilities, which offers full-day care options for children whose parents require extended care.

eCARE is designed to meet the needs of parents and children in kindergarten through 5th grade. This extended care program provides solutions for families in our community by providing activities, recreation and enrichment for youth in collaboration with the school district. E-Learning/homework time, arts and crafts, healthy snacks, indoor and outdoor play and games are offered under the supervision of qualified, caring staff.

It is our goal to provide quality care, where participants feel safe, stay active and are fully supervised. We look forward to offering extracurricular activities, building lifelong friendships and creating school-aged memories.
