It is worth noting that East Aurora School District 131 is in the process of relocating roughly 100 employees from three different sites to one central location that is currently under construction. Disposal and Recycling needs will be reduced accordingly at the following three locations: the ASC, the CSC and the SSC. The new administrative office will be located on the old Rush-Copley Hospital site located at 310 Seminary in Aurora. The site is at the intersection of Seminary and Lincoln in Aurora. It is anticipated that the new site will be added as a new service site on or around October 2020.
