ECARE INFORMATION

eCARE is a Fox Valley Park District-run program, housed in Fox Valley Park District facilities, which offers full-day options for children (kindergarten through fifth grade) whose parents require extended care.

eCARE is designed to meet the needs of parents and children in kindergarten through fifth grade outside of school hours. This extended care program provides solutions for families in our community by providing activities, recreation and enrichment for youth in collaboration with the school district. Arts and crafts, healthy snacks, indoor and outdoor play, eLearning/homework time and games are offered under the supervision of qualified, caring staff.

It is our goal to provide quality care, where participants feel safe, stay active and are fully supervised. We look forward to offering extra-curricular activities, building lifelong friendships and creating school-aged memories.

eCARE will not meet on Nov. 3 & 26-27; Dec. 21-31; Jan. 1. Please see our Day-Off School programs and Winter Break Camps for additional care options on no-school days.
