

ADDENDUM #1 AED's

Question:

Will all 75 AED's be ordered all at once or will it be spread out over the course over the course of the year with varied quantities?

Is there a certain date you need to have the AED's delivered by?

Answer:

All 75 AED's would be ordered at once and we would look to install them as soon as reasonably possible based on supply. The time frame is not certain, but there would be an expectation that we would have them installed within a few months.
