RFP Request

Vended Beverage Request for Proposal

Additional Information

Addendum #1

There are (8) eight questions, as part of this addendum. Please sign this document and include in your solicitation submission as acknowledgement of receipt and understanding.

Name of Company

Signature and Date

- 1. Food Service – It is my understanding that Whitson’s is your Food Service provider-and you do list in the RFP the “coolers” needed at each café location.**

We have two food service providers; Sodexo for the High School and three Middle schools, Whitson’s for 1 Middle School and all of the Elementary schools.

- 2. Are there any additional a la carte sales available at the High School and Middle Schools seeing as how you follow the CEP program?**

There are a la carte sales at the High School, the vendor will need to work with Sodexo to establish offerings. There are also offerings at the Middle Schools, vendor will need to work with Sodexo and Whitson’s.

- 3. If yes, do you have volume for ‘a la carte’ sales?**

999.5 Cases.

4. Volume listed on page 14 is 1000 cases. Is this volume for the vending machines only?

This is the volume for the High School a la carte sales through Sodexo.

5. Also listed is “concessions” and “café” coolers. Do you have any case volume for Concessions (Boosters) and Food Service?

Boosters, have used the coolers provided by the beverage vending company. They have typically procured their own beverages. Not to say that they are against working with the vended beverage provider.

6. Further in the RFP on Page 24, you have listed a guaranteed sales incentive when the volume exceeds 7500 cases – is this the volume for the length of the contract, and is it based on three (3) or five (5) years?

The agreement is for 3 years with (2) optional 1-year extensions. The incentive would be based on the three (3) years.

7. Wondering if we could get an extension for the due date for the RFP?

Yes, the new date will be Friday 2/13/2026 at 10:00 AM.

8. What is the total volume sold through the vending machines?

Place	Total Units Sold
East Aurora High School-1st Flr Teachers Lounge-Ea	2,718
